

Model Policy Safer Recruitment Update

Compliance+ for Education – Version 3 (September 2023)

Summary of Changes

Section 3: Roles and responsibilities

- The reference to Keeping Children Safe in Education (KCSIE) has been updated to reflect the September 2023 update – The link to 2023 version of KCSIE has also been updated.

Section 5: Advertisements

- As above – The reference to KCSIE has been updated to reflect the September 2023 update and the link to KCSIE has also been updated.

Section 7: Shortlisting

- The online search requirement has been adjusted to reflect KCSIE 2023 – when candidates have been shortlisted, the recruitment agency will inform them that online searches will be conducted as part of due diligence checks.

Section 9: Employment selection

- No substantive change. Formatting to align the section to the rest of the document.
